Computer Use Policy

Last month the Board reviewed the Computer Use Policy. The changes to the policy were minor and did not result in any significant changes in operations. Library's attorney Chuck Engel stated this policy needs to be reviewed at least once every three years to qualify for

State Aid funding. Chuck Engel reviewed the updated policy. This month staff is recommending approval of the Computer Use Policy.

Loaned Employee Agreement, Friends of the Library FY 2022 Loaned Employee Agreement, The Library Foundation for FY 2022

Each year the loaned employee agreements with the TSCPL Friends of the Library and The Library Foundation are reviewed and approved by the Board of Trustees and the Friends and Foundation boards. A reminder that the Friends executive, the Library Foundation executive director, and Library Foundation development professional are all library employees who are in effect loaned to those 501©3 organizations each year.

Memorandum of Understanding (MOU) Shawnee County Park and Recreation

In 2012 the Topeka and Shawnee County Public Library and the Shawnee County Parks and Recreation Department signed a Memorandum of Understanding (MOU) establishing a partnership and agreement for an exchange of services and staff support with Shawnee County. This successful collaboration between the Library and the County allowed the County to continue providing public computers in the community centers that they were not staffed or equipped to maintain. The MOU provided the Library with the opportunity to extend its reach especially as it relates to digital equity, skill building and literacy and learning for all ages.

Audit Committee Appointments

Per the trustee bylaws Article IV: Committees, Section 3. Audit Committee: "The Chair shall appoint three trustees, one of whom shall be the Treasurer who will chair the Committee, with the approval of the Board to the Audit Committee. The Committee reviews the audit draft for recommendation to the full Board." Chair Jim Edwards will ask for volunteers to serve on this committee at the board meeting.

Neighborhood Revitalization Plan Interlocal Agreement Amendment, 2022 – 2024

In July 2021, City of Topeka planning director Bill Fiander presented information about the agreement. The associated documents are included in your packet and listed on the resolution sheet. The City of Topeka is now officially requesting all taxing authorities,' including the Library's, approval to continue this interlocal agreement through 2024.

Current Projects

Filling Open Positions

We have begun reviewing and posting for several key positions. With every open position we evaluate what are our staffing needs as it relates to the plans for the library. We have several key leadership positions currently open including Community Services supervisor and Circulation supervisor. Human Resources and the managers for each area will be reviewing applications and interviewing in the next few weeks.

Organizational Priority Plans for 2022

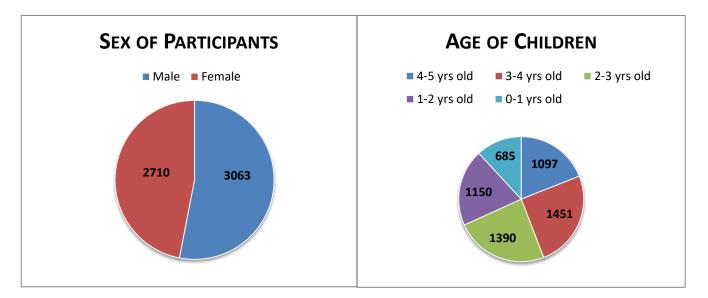

The Management Team will be reviewing the current 2021 plans and determining which projects are complete and which need to be moved forward for 2022. Several projects including the Public Website Redesign and the Facility Plan- Tech Zone project which are two-year projects. We will bring to the board the proposed Organizational Priorities 2022 at the January board meeting.

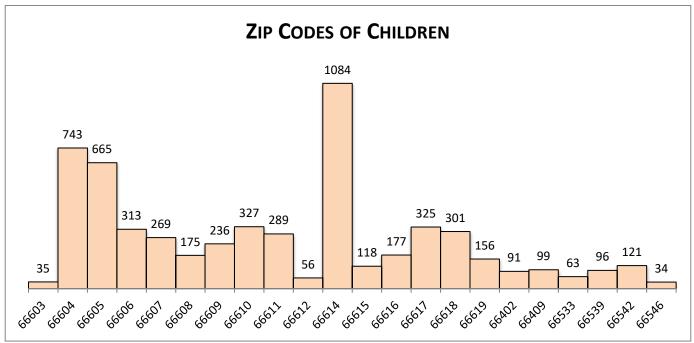

Finally, as we as an organization utilize our monthly board reports as an historical record of the library, I wanted to thank you for the opportunity to prepare my first officially board report as CEO of the Topeka and Shawnee County Public Library. I look forward to sharing our status, initiatives, and projects each month.

Meeting Rooms

On Monday, November 15, all our meeting rooms will return to full capacity. We are excited to be able to once again offer this service without any limitations. This was the last major restriction we had in place for the public at the main library. We know this is an extremely popular and essential service and there is a lot of pent of demand for full capacity.

We feel comfortable making this decision based on the availability of booster shots for library staff and the improved COVID scores. We also feel like the timing is advantageous with the reopening of the café on November 22. The other benefit is that this will allow us to start to reintroduce more public programming. We will of course continue to monitor the situation, but we hope this is a turning point for us as we reengage with community members who haven't used the library as much during the pandemic.

Songs of the Season

Another exciting development that we're excited to announce is that our annual Songs of the Season concert series is back. Singers and musicians of all ages from all over the community will perform seasonal favorites in the rotunda. We have an abbreviated line-up this year but will be adding more groups based on their availability. The current schedule is shown below, but please check the library's website at https://tscpl.org/songs-of-the-season for schedule updates.

It's always special to listen to the wonderful music from these performers, and it's especially heartwarming to see the kids' groups perform. However, one non-school group of note is the Free State Brass Quintet. They will be performing in the rotunda on Saturday, December 4, for three hours. This will offer a bit of a teaser for the full 25member brass band's "Music for a Sunday Afternoon" holiday concert on Sunday, December 12. You can find more information about their "Music for a Sunday Afternoon" concert at https://events.tscpl.org/event/5723314

Department Highlights

Public Services – Information and Learning Debbie Stanton, Public Services Supervisor

Local History

Local History Librarian, Donna Rae Pearson, was recently appointed to serve on the City of Topeka's Planning Commission. She has previously served on the Local Landmarks Commission, which advises the city council on historic assets and safeguards the architectural and cultural heritage of the community through preservation. She will continue in that role while also serving on the Planning Commission, which is responsible for adoption of the city's Comprehensive Metropolitan Plan. We're excited about Donna Rae's ability to extend her work into the community and to help our citizens connect with the stories of Topeka and Shawnee County's people, places, and events.

Civic Engagement

The seeds sown in the library's multi-year "Initiatives for Democratic Practice" project with the Kettering Foundation continue to reap benefits. In late October, Washburn University organized and sponsored a <u>Reframing</u> <u>Topeka</u> deliberative discussion with Community Connections Librarian Lissa Staley facilitating. After the event a local high school teacher reached out to library staff to bring facilitated deliberation into their classroom later in November. <u>KSNT</u> covered the Washburn event on October 26 and described the conversation this way: "Leaders from the Topeka and Shawnee County Public Library guide the discussions. Their goal is to spark real conversations about practical solutions to make Topeka better... Group members discuss the causes and effects of what they think could be a beneficial suggestion to improving Topeka."

Gallery

Our popular community exhibit, *La Comunidad*, is wrapping up with a mariachi performance by Mariachi Girasol de Topeka on Saturday, November 20 from 3-4pm. The exhibit closes officially on Sunday, November 21. This exhibit has been more than we could have dreamed of, with the community coming out in support of both the artists and the programs. Kicking off with the Lowrider Car Show and continuing with artist talks, dancers, and pinata makers, the gallery has been an active and lively place this Fall.

Public Services Autumn Friedli, Supervisor – Readers Services

Fall Reading Challenge

Our Fall Reading Challenge took place from October 1st through the 31st. We had 694 readers sign up to read three books during the month of October, and 522 people completed the challenge. Did you complete the challenge? If so, be sure and pick up your collectible glass at the customer service desk.

KLA Presentation

Miranda Ericsson, Readers Librarian, and Deb Ellerbrook, Adult Literacy Librarian, presented at the Kansas Library Association in Wichita on October 28th. Miranda and Deb talked about creating and maintaining the Top City Reads Together Facebook Page. The duo had a good group of engaged librarians during their presentation and several of those librarians have joined the Top City Reads Facebook page.

Elected Secretary of Beta Phi Mu

Autumn Friedli was elected Secretary of the Beta Phi Mu Beta Epsilon Chapter on Friday, October 29th during the annual business meeting of the chapter. Beta Phi Mu, the library and information studies honor society, was founded at the University of Illinois in August 1948, by a group of leading librarians and library educators to recognize and encourage scholastic achievement among library and information studies students. The Beta Phi Mu chapter at the Emporia State University School of Library and Information Management, started in 1973, is known as "Beta Epsilon." The purpose of this chapter is to recognize high scholarship in the study of librarianship, and to sponsor appropriate professional and scholarly projects. Autumn graduated ESU-SLIM in December of 2016.

Summer Reading Program 2022: Planning Begins

The Program Team and key staff members have begun the initial planning stages for our 2022 summer program, and we are excited to announce that we will be following the Collaborative Summer Learning Program's 2022 annual theme, "Oceans of Possibility." Expect lots of exciting programs on marine life, conservation, and other seafaring fun at the library this summer!

Kansas Leadership Center Conference

Public Training Professional Shari Schawo attended the Your Leadership Edge online conference with the Kansas Leadership Center on October 6 and 7. She thoroughly enjoyed connecting with other emerging leaders and participating in collaborative activities with small groups to build and hone leadership skills together. Shari's attendance was funded by a scholarship from United Way.

Updates from Shari Schawo on Public Training

We are happy to have restarted our partnership providing space and computers to the grant supported KU Technology Education program, which provides evidence-based technology education to women transitioning from incarceration. In September, we finished off our Let's Get Started series of programs introducing people to fun outdoor activities in Topeka. We saw about 50 attendees at those programs in total. Our Beginners Yoga classes continue in the Learning Center in an innovative hybrid format, with some attending in-person and some online. Chair Yoga classes have also moved to hybrid format after the success of hybrid Beginners Yoga, and both classes are going strong.

Bookmobile Schedule Changes

The bookmobile schedule will be changing beginning November 15 to reflect our return to Villa West on Wednesdays! The changes to the schedule are as follows:

- Tuesdays: Dillons Urish @ 2:15-7:30 PM will replace the stop at Susanna Wesley.
- Wednesdays: Villa West @ 9:30 AM-1:00 PM, 1:45-7:30 PM will replace the stop at Dillons Urish.
- Saturdays: Susanna Wesley UMC @ 1:30-3:00 PM will replace the stop at Villa West.

Kansas Connections

Community Services staff are preparing to relaunch Kansas Connections in early 2022. Our team will be working together to present Kansas Connections programs to our local K-12 classrooms in a variety of ways to augment inschool learning and provide fun, hands-on learning experiences to students and teachers. We will begin seeking sign-ups from educators very soon. Keep an eye on our website for updates.

Words of Appreciation

This month, Community Services staff received several wonderful compliments and words of thanks from our customers.

From Public Services Specialist Michelle Stottlemire: "Last week, one of our TSCPL @ Home customers left a good bag of chocolates and a sweet note for the delivery staff. The card reads, 'Thank you for all the library books you've brought me via "at home delivery!" Just a little something to show my appreciation!""

After relaunching her Play it Again board game program in person on October 23, Public Services Specialist Jayme Lyons received compliments from attendees:

- "I am glad I attended! Both games were awesome!"
- "Saturday was great fun! See you next month!"
- "I really enjoyed the game time today. I had never been to it before. [...] It's fun to have something to look forward to, as I don't drive, due to vision problems."

Youth Services

LeAnn Brungardt, Youth Services Supervisor

Play

We are now offering a broader play experience in the Family Zone at the library than we have been able to provide for quite some time. On Monday through Friday from 9:00-12:00 early childhood focused staff wheel up a cart full of all sorts of toys and mediate learning through play. We have upped cleaning and disinfecting and still have practices that utilize Family Place Library and Learn and Play Service protocols.

- Children can select what appeals to them
- Families play together and bond positively
- Parents model behavior for one another and make connection to one another
- Staff provide support and resources and offer ideas for cleanup and transitioning behavior

During other hours of library operations there are still self-directed play opportunities that include things like hopscotch, climbing and balancing structures, and I-spy games.

Kansas Reads to Preschoolers

Each November we celebrate the importance to reading to young children, by encouraging families across the state to read the same picture book. This year's title is Grumpy Bird by Jeremy Tankard. Read it to a child in your life. Pick up a copy of the title from November 14-21 at the Kids' Library Desk while supplies last. Come play games based upon the book November 16 from 9:30-11:15 am.

Zombies

Curious Kids continues to supply all kinds of fun for our afterschool customers. In October, several gave sewing by hand a try by stitching stuffed animal/doll zombies.

Edge

Our activity space for teens will open Monday through Thursday from 3:00-5:00 starting November 15. Dedicated teen staff will provide engagement opportunities each day including Teen Writers Club, Teen Art Club, Anyone Can Cook, digital gaming, anime, and tabletop gaming. Teens need purposeful play for self-expression, social skill development, independent living skill development, and just plain fun.

Success Stories

A StoryWalk[®] user at Ted Ensley Garden at Lake Shawnee shared, "We come to the garden often since we live nearby and my youngest wants to read the story every time. No matter how many times we've read it."

Sherry Hess, Early Childhood Learning Coordinator, offered this story. For the past two weeks, a 4 ½ year old girl has been accompanied by her nana to one of the Learn & Play Service locations. The nana reported on the first week that the little girl's mom made the decision not to send her to preschool this year, so the service will be her "school". Nana told us that they will be there every week. Most recently the Nana and the little girl were playing near me on the floor. The little girl was watching a peer play with a co-worker. They were playing with a see-through scale and plastic bears. The little girl told her nana that she wanted to play with what the second little girl was playing with. The nana looked at me, and then told her granddaughter that she could watch my co-worker and the second little girl play. I joined their conversation to interject that the little girl asked if she could play. My co-worker welcomed her to play and praised her for asking. My co-worker gave her some of the bears and invited her to join in. I shared with nana that social-emotional skills like asking for a turn, talking with peers, and expressing emotions appropriately are important for school readiness. The nana smiled as her granddaughter continued to play with her peer.

Collections Scarlett Fisher-Herreman, Technical Services and Collection Development Manager

David J's Place

I'm pleased to share about exciting improvements in David J's Place. This room is home to the library's physical collections for young adult readers. A small team of staff from Technical Services and Youth Services worked with Communications and Marketing to create colorful banner signage that notates the different types of collections in the room. This is a space that has not had larger scale signage in it which presented challenges in quickly identifying the location of some collections. The new signage is easy-to-read and really makes the whole room come to life. In addition to the new signage, new young adult books were moved to a more prominent location

and given additional shelving for display and promotion. Near the new books, a support column in the center back of the room was converted into a vertical display space for young adult materials. Several collections were shifted or adjusted in minor ways to even out the shelving and to make it possible for every collection in the room to have a sign above it. The end result is an improved experience for customers and a room that feels inviting and fun for young adult readers.

Circulation Department Kelli Smith, Circulation Supervisor

Silents in the Cathedral

Over 300 people attended this year's Silents in the Cathedral event held at Grace Cathedral. The silent short films showcased were Méliès Whimsical Illusions (1909), The Crazy Ray (1922) and Innocent Husbands (1925). The main feature this year was The Bells (1926) starring Lionel Barrymore, Boris Karloff, and Caroline Frances Cooke.

Denise Morrison introduced the historical significance of the movies while Marvin Faulwell and Bob Keckeisen performed the live music and sound effects for the films. The cathedral itself provided a beautiful setting for this performance as well as a haunting pipe organ that Marvin masterfully played.

Interlibrary Loan Public Service Specialist, Stephen Ferrell, took over organizing the Silents in the Cathedral event this year from Community Services. He did a fantastic job working with all the performers, Kathy Smith of Grace Cathedral, and Bob Shaffer

of Kansas Silent Film Festival, Inc. Stephen and I would like to also thank Communications & Marketing and the Finance team for making the organization of the event go smoothly. They did a lot of great work on a short

Welcoming New Staff

timeline.

Circulation has hired 3 shelving assistants and 3 full time staff to fill some of the open positions the department had. The shelving assistants hired are April Perez, Teri Wodtke, and Maria Zubiate. The three of them have already made a great difference in how quickly library materials are returned to the public floor. Circulation staff as well as staff working the public service floor also continue to shelve so customers have quick access to the titles they are searching for.

The department's Senior Library Associates, Christina Craver, Donna Casey, Michelle Griffith, and Sandy Patterson have done a wonderful job training the new full time Library Associates that started in October. Gayle Alderson,

Karen Holzmeister, and Sydney Van Dyke are busy learning the different Circulation assignments and completing the New Employee Orientation and Onboarding training that Kristin Kelly and Kate Hughes created. The information Kristin and Kate have listed has been very helpful during this orientation process since it had been nearly two years since the department's last hire.

The department is currently in the process of filling a part time Library Associate, an Interlibrary Loan Public Service Specialist, and a Circulation Supervisor and hope to have these positions filled by the end of the year.

Staff Laptop Project

We finally received the laptops and peripheral equipment and have begun deploying the laptops. Providing laptops to our exempt-level staff will free them up to do work anywhere – at their desks, in a meeting room, when working from home, and around the community as needed.

WIFI Hotspot grant project

We are still working on finalizing details for the public launch of this project. Verizon (the hotspot supplier) and their management software supplier are working through a backend issue to provide the library with management tools for the hotspots. These tools are important – they allow the library to manage access to the hotspots, to apply filtering, and to gather usage statistics. Once this gets worked out, we should be able to offer these hotspots for checkout.

Stay Curious Brand for Bookmobiles

The *Sherlock* Bookmobile is getting a new exterior wrap that will address some maintenance and wear issues and bring the mobile vehicle fleet into the library's *Stay Curious* brand of bright colors and curious images. The *Sherlock* and *Alice* bookmobiles replaced vehicles that were more than 25-years old. The replacements were made possible by The Library Foundation's work with donors, and the Capital Federal Foundation provided the funding for the *Sherlock* bookmobile in 2013. The new design is by our in-house talented duo, Karen Watson, and Michael Perkins. Look for the newly wrapped bookmobile in December 2021.

Bonnie is Busy!

For 20-years, Event Coordinator Bonnie Cuevas has kept our meeting rooms reservation system running smoothly, but her talents and skills go beyond room set-ups. If you attended the La Comunidad Lowrider Car Show, you would have seen Bonnie at the information/prize booth greeting visitors and encouraging them to see the exhibit, get a library card, and take a behind the scenes tour of the library. More than 600 people attended the car show, so she was busy! Just this week, it was decided that we would host the annual Songs of the Season concerts, with area school and local musicians performing in the library rotunda during the lunch hour and evenings. Over the years, Bonnie has developed a strong network with the groups, so even with short notice, the library will have a wonderful concert season that our community enjoys. See who is performing and check back often because we add new performances through December.

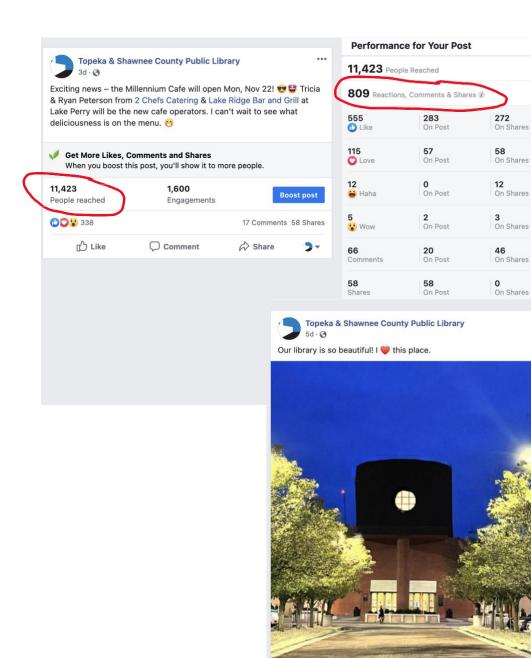

Bonnie also serves on the library's staff appreciation committee and creates engaging internal messages that provides information to the staff about what the week's offering is at the Monday Farmers Market May-October. In November and December, her action messages include Donut Days (11/5), Staff Arts & Crafts Sale (11/17), Staff Dress Down Days fundraiser for the Christmas Bureau (11/ 22-24), Staff & Volunteer Thank You luncheon (11/9), and a staff Secret Santa & Stocking Stuffer (December).

There is more to Bonnie's professional expertise than is mentioned here, and much of her work is behind-thescenes infrastructure that supports the library and helps make us the best library in North America every day.

Resolution – Memorandum of Understanding with Shawnee County Parks and Recreation Department, renewal

BOARD OF TRUSTEES TOPEKA & SHAWNEE COUNTY PUBLIC LIBRARY November 18, 2021

Be it resolved that the Board of Trustees, Topeka and Shawnee County Public Library, approves the updated Memorandum of Understanding with Shawnee County Parks and Recreation Department as presented.

Background information:

In 2012 the Topeka and Shawnee County Public Library and the Shawnee County Parks and Recreation Department signed a Memorandum of Understanding (MOU) establishing a partnership and agreement for an exchange of services and staff support with Shawnee County. This successful collaboration between the Library and the County allowed the County to continue providing public computers in the community centers that they were not staffed or equipped to maintain. The MOU provided the Library with the opportunity to extend its reach to some of the most underserved community members without investing in facilities. Shawnee County pays for one half of a computer technician to maintain the hardware and software.

This MOU renews the agreement for an additional two years and updates the salary schedule for 2022-2023.

79 ATTACHMENT B (Interlocal Cooperation Agreement)

Ordinance/NRP(2022-2024) 10/12/2021

Introduction

This Plan is intended to promote the revitalization of the inner urban area hereinfter described as the Neighborhood Revitalization Area (NRA) of the City of Topeka through the rehabilitation, conservation and redevelopment of the area in order to protect the public health, safety welfare of the residents of the City. More specifically, in accordance with KSA 12-17, 118 (d), a tax rebate incentive will be available to property owners for certain improvements that raise the appraised value of residential property 10% and commercial property 20%.

In accordance with KSA 12-17, 114 et. seq., the Governing Body has held a public hearing and considered the existing conditions and alternatives with respect to the described area, the criteria and standards for a tax rebate and the necessity for interlocal cooperation among the other taxing units (City of Topeka, Shawnee County, USD 501 (Topeka), USD 345 (Seaman), USD 450 (Shawnee Heights), USD 437 (Auburn-Washburn Rural), Washburn University, Topeka-Shawnee County Public Library, Topeka Metropolitan Transit Authority (TMTA), Metropolitan Topeka Airport Authority (MTAA). Accordingly, the Governing Body has reviewed, evaluated, and found that the described area meets one or more of the conditions contained in KSA 12-17,115 (c).

- 1. An area in which there is a predominance of buildings or improvements which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare;
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, defective or inadequate streets, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is detrimental to the public health, safety or welfare in its present condition and use; or

2022 Neighborhood Revitalization Plan Adopted by the Governing Body: Oct 12, 2021 area is necessary to protect the welfare of the municipalities' residents, and that the area should not include the entire municipality.

As a matter of policy, the City of Topeka's NRA is also proposed to be limited in scope to the above areas in order to promote a streamlined and administrative "but for" policy. The inherent presumption of this Plan is that necessary private investments would not occur in these areas "but for" the incentives offered under the Plan. Incentives are approved administratively by City of Topeka staff upon application by the property owner without further proof of need for the incentives. In order to enforce this assumption, the Plan puts forth thresholds for application deadlines to ensure the applicant knew about the program prior to construction and that the investment must create an impactful value increase.

Therefore, this Plan finds the proposed areas are most legally justifiable under State law and provides for a streamlined "but for" test to revitalize the City's most deteriorated sections.

Residential Property Values (April 2020, Shawnee County Appraisers Office) – Property values are in part a reflection of the quality of housing supply and the image of a neighborhood. The median value of a house purchased in Shawnee County was \$122,000 in 2018 (Topeka Association of Realtors).

Single Family Housing Tenure (April 2020 Shawnee County Appraisers Office)

The percentage of homeowners residing in a neighborhood can be an indication of the willingness (or confidence) to invest in the area. The most relevant measure of this is how many single-family dwellings are owner-occupied since these homes were primarily built for individual ownership.

Secured Houses & Unsafe Structures (2020 City of Topeka Special Structures Unit) - A secured house is one of the most evident physical displays that will undermine confidence in an area for investment and precipitates a downward spiral for the block and/or neighborhood.

CITY OF TOPEKA CONTRACT NO. 49856

INTERLOCAL AGREEMENT/NEIGHBORHOOD REVITALIZATION 2022-2024

This Interlocal Cooperation Agreement (hereinafter referred to as "Agreement") entered into this 12th day of October 2021, by and among the City of Topeka, a duly organized municipal corporation hereinafter referred to as "City" and Unified School Districts Nos. 345 (Seaman), 437 (Auburn-Washburn) 450 (Shawnee Heights), and 501 (Topeka); the Board of County Commissioners of Shawnee County; Topeka Metro Transit Authority; Metropolitan Topeka Airport Authority; Topeka & Shawnee County Library and Washburn University.

WHEREAS, K.S.A. 12-17,119 and K.S.A. 12-2904 authorize public agencies to enter into interlocal agreements to jointly perform certain functions including neighborhood revitalization; and

WHEREAS, all parties are, pursuant to K.S.A. 12-2903, public agencies, capable of entering into interlocal agreements; and

WHEREAS, K.S.A. 12-17,114 *et seq*. and any amendments thereto (the "Act"), provides a program for neighborhood revitalization and further allows for the use of interlocal agreements between public agencies to further neighborhood revitalization; and

WHEREAS, it is the desire and intent of the parties hereto to provide the maximum economic development incentive as provided for in the Act, by acting jointly.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN THE PARTIES AGREE AS FOLLOWS:

1. Purpose. The purpose of this Agreement is to provide a program for neighborhood revitalization and allow the public agencies within the designated

1

neighborhood revitalization area to work together to maximize the economic development incentives allowed through the Act. The parties have reviewed the City's neighborhood revitalization plan ("Plan"), and by adoption of this Agreement, agree to work cooperatively to implement the Plan.

2 Administrator. As the parties are not utilizing a separate legal entity to administer the Agreement, the City shall administer the Plan.

3. Financing. The parties will finance the development in the revitalization area and the dilapidated structure identified in the Plan (Menninger Clock Tower) through a property tax rebate which shall be administered according to the Plan. Pursuant to K.S.A. 12-17,118, City will create a neighborhood revitalization fund and Shawnee County will administer distribution of the rebates. Five percent (5%) of the increment in ad valorem property taxes, as defined by the Act, shall be used to pay for administrative costs of the City and Shawnee County in budgeting, implementing and administering the Plan. The five percent (5%) administration fee shall be apportioned sixty-seven percent (67%) to Shawnee County and thirty-three percent (33%) to the City.

4. Duration. Pending approval of the Attorney General and filing with the Shawnee County Register of Deeds and the Secretary of State, this Agreement shall be effective on the date indicated on Page 1 which shall be the same date that the Agreement was executed by the City Manager, notwithstanding that the other parties may have executed this Agreement at an earlier or later date. This Agreement shall expire on December 31, 2024.

5. Termination. The Plan has a duration of three (3) calendar years, commencing January 1, 2022, and ending December 31, 2024. Notwithstanding Section 4, the parties agree that termination of this Agreement by any party prior to December 31, 2024 would adversely impact the Plan, and, consequently, this Agreement may only be terminated with

ninety (90) day's written notice, and further provided such written notice must be received prior to August 1 in the calendar year prior to the tax year the party desires to terminate participation, unless such notice is waived, in writing, by all parties. Any application for a tax rebate submitted to the City prior to receipt of the notice of termination shall, if approved, be considered eligible for the duration of the rebate period set forth in the Plan.

6. Property. No real or personal property shall be acquired, held, or disposed of during the term of this Agreement.

7. Execution. For purposes of executing this Agreement, this document, if signed by electronic signature and transmitted by electronic mail, will be treated as an original document. This Agreement may be executed by each party in one or more counterparts, each of which when so executed shall be an original, and all of which together shall constitute one instrument.

8. Liberal Construction. This Agreement shall be liberally construed to achieve the economic development objectives and purposes of both this Agreement and the Plan. Should any provision of this Agreement be determined to be void, unenforceable, or illegal, such provision(s) shall be null and void, but the remaining provisions shall be unaffected thereby and shall continue to be valid and enforceable.

9. Entire Agreement. This Agreement constitutes the entire agreement between the parties and may not be modified or amended, except in writing executed by all parties in the same manner as the original.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective representatives with authority to bind their respective entity.
