Trustee Advocacy Stories

Trustee Peg Dunlap shared on Tuesday she was at the most recent Friends Board Meeting. The Friends are working alongside Friends Executive Janel DeLeye to create an efficient plan to deal with donations on the dock.

Trustee Dunlap also shared that she attended Staff Development Day. Dunlap went to the lunch and watched the recognition and service awards for staff who have been at the library for three years and multiples of five years. Dunlap joined the afternoon bus tour around Topeka and said it was very interesting to go to SENT and hear the discussion going on there. The tour drove by some homes SENT is working on and have worked on. The tour ended at the zoo for the rest of the afternoon.

Approval of Minutes

On a motion by Jim Ramos, seconded by Liz Post, the February 16, 2023, Meeting Minutes of the Board of Trustees were approved.

Motion passed unanimously.

Chief Financial Officer's Report

Chief Financial Officer Kim Strube noted no additions to her report. Strube provided an update on the transition back to Paycom. HR and Finance have started the exit paperwork with Paylocity and have talked to the third-party FSA provider. Strube said things are going well with Paycom and Paycom has been able to address many items of concern. Employees will punch into Paycom beginning Monday, March 20.

Financial Reports

Board Treasurer Peg Dunlap reported that she reviewed the financial reports and reviewed and approved the bank reconciliations for February 2023.

On a motion by Peg Dunlap and seconded by Joan Hicks, the Treasurer's Financial Report for February 2023 was accepted.

Motion passed unanimously.

The Library Foundation

Library Foundation Chair Kim Patton gave the Foundation report. Patton reported that the Foundation has been interviewing for the Foundation Development Professional position. Foundation Executive Director Ashley Charest and Patton took part in the first workday of the Strategic Plan when the consultants were here.

Patton shared that the Foundation is excited to be part of the Shades of Greatness exhibit in the Sabatini Gallery. The Foundation is currently promoting the annual Library Day of Giving on April 4.

Friends of Topeka and Shawnee County Public Library

Friends Board President Christy Molzen shared that the Friends are officially extending the Booktique hours starting on March 20. The new hours will be 10-5 Monday through Saturday. Molzen wished a big thank you to Kari Zimmerman for getting all the new volunteers on board. There are a lot of library patrons out there who have been requesting expanded hours so the Friends are very happy to be able to meet that demand.

The Booktique Manager Laura Anderson has been implementing new ideas in the shop. She has a different theme every two weeks that is reflected in the displays. Recent themes have included Dr. Seuss, Women's History, and March Madness. Also, once a month the Booktique has a ½ price sale day on all books to help move inventory and bring in fresh books.

Friends volunteers met recently to discuss updating guidelines for how books get directed to the appropriate sales venue to maximize profits. The Friends are looking for alternative ways to recycle books locally, particularly ones that are not in good enough condition to resell. Right now books are shipped to Thriftbooks, which resells some and recycles the rest, but there are significant shipping costs associated with that.

Board Chair Reports

Chair Jim Edwards reported the Executive Committee met via Zoom on Monday, March 6, 2023.

Chief Executive Officer Report

Chief Executive Officer Marie Pyko reported one of her goals for the library is to have a 3% increase in item circulation. Pyko shared that when comparing the numbers for January and

February, the library is about on track to meet that goal this year. Pyko shared that the Red Carpet Service is about to celebrate its 50th anniversary in August. Pyko is hopeful this will cause a boom in people taking advantage of this great service.

Pyko thanked everyone who participated in the workday with the consultants. She also thanked those who helped host and promote community meetings and focus groups. She stated that the library is starting to get that information back from Ivy Group. The next step in the Strategic Planning process is the staff survey and the community survey. The internal Strategic Planning Committee have looked over the proposed survey questions and anticipate that these surveys will be pushed out towards the end of March or early April.

Communications and Marketing Director Diana Friend gave the 2022 Annual Report. Friend provided a detailed review of the library's achievements in 2022. The annual report for 2022 is available at 2022 in Review - Topeka & Shawnee County Public Library (tscpl.org).

Chief of Staff Report

Chief of Staff Thad Hartman thanked Staff Development Coordinator Brenda Hough who coordinated Staff Development Day this year. Hough started at the library about this time last year and this was her first Staff Development Day.

Maddie Safford with HTK Architects presented on the New and Novel area of the library. HTK Architects worked with library staff to develop concepts and specifications. The New and Novel area will be the space between the team rooms and between the atrium and the reading room. Safford reported that bids will be received April 6 and presented at the April 20 Board of Trustees Meeting. Construction will begin the end of May and end mid-July. This project sets the stage for the work in the wings which will be the final step of this process.

Hartman reported that the library just completed the Movies and Music Lounge. He thanked Scarlett and her team that moved all the furniture and organized it.

STAFF:

Kim Strube, Marie Pyko, Thad Hartman, and Aubrey Conner

OTHERS:

Stacey Hammond and Emily Sheldon– Directors at BT & Co., PA

The meeting of the Board of Trustees Audit Committee of the Topeka and Shawnee County Public Library held on Tuesday, April 11, 2023, in the Hughes Room 205 of the Topeka and Shawnee County Public Library. The Audit Committee meeting was called to order at 10:02 am by Chief Financial Officer Kim Strube. Peg Dunlap is serving as Audit Committee Chair. An agenda, suggested questions for the auditors, a draft of the Basic Financial Statements for the year ended December 31, 2022, and a draft of the Report to the Board of Trustees, inclusive of the Management Discussion and Analysis, were provided at the meeting.

Stacy Hammond presented the 12/31/2022 audit documents to the committee. She reviewed the sections of the Report to the Board of Trustees in detail.

Hammond reviewed significant estimates, financial highlights, and investments. Hammond spoke about generally accepted auditing standards by which she conducted the library's audit. Hammond stated that there were no requested changes to the audit. She reported that there were no significant issues that arose during the audit, and Kim Strube, her staff, and management were cooperative and transparent in answering questions. This year the GASB Statement No. 87 was implemented. The library's leases are not material to financial statements but must go on the passed journal entry sheet.

Hammond reported the audit process will be complete upon corrections to the draft reports and when the management representation letter is signed and after The Foundation Board has accepted their audit report.

COMMITTEE DISCUSSION

Topics included:

- Discussion about the management representation letter that is drafted by BT & Co.
- Whether there were any differences between last year's audit and this year's audit.

- Discussion about a controlled deficiency with pledge securities lapsing which was not a sufficient deficiency so it's not in writing.
- The Audit Committee discussed GASB Statement No. 96 for software subscriptions, a large new standard which is going to impact most libraries next audit. Management and the Board of Trustees are to be aware of that new standard.
- The Audit Committee discussed the anticipated fallout of GASB Statement No. 96 which looks a lot like GASB Statement No. 87 but for software.

NEXT STEPS

Hammond will present at the Board of Trustees meeting on Thursday April 20, 2023, at 4:00 pm in the Menninger Room 206 of the Topeka and Shawnee County Public Library.

The Audit Committee members voted to make a recommendation to the full Board to accept the final audit report at the April 20, 2023, Board of Trustees meeting.

There being no further business for the Committee the meeting was adjourned at 10:23 am.

distributed, they are part of Ad Valorem property tax. Thus, this line item will always be 100% under-budget.

Agenda Board of Trustees Executive Committee Meeting April 10, 2023 – 4:00pm Zoom Meeting

Agenda

Executive Committee Members Present

Jim Edwards – Chair, Shawn Leisinger – Vice Chair, Peg Dunlap – Treasurer, Joan Hicks – Secretary

Call to Order

The meeting of the Board of Trustees Executive Committee was held on Monday, April 20, 2023, via Zoom, and was called to order at 3:59 pm by Chair Jim Edwards.

Review Minutes and Agenda

The minutes from the March 6, 2023, Board of Trustees Executive Meeting were reviewed.

On a motion by Shawn, seconded by Peg, the March 6, 2023, Board of Trustees Executive Committee Meeting Minutes were approved.

Motion passed unanimously.

The minutes from the March 16, 2023, Board of Trustees Meeting and the agenda for the Board of Trustees April 20, 2023, meeting were reviewed.

Chief Financial Officer Kim Strube will provide an update on the audit at the Board of Trustees Meeting. Strube anticipates an unmodified audit opinion. Strube explained a controlled deficiency that may be reported to the board. Discussion followed.

Chair Jim Edwards stated this will be the last Board Chair report that he will give.

Chief Executive Officer Marie Pyko said she will share what leadership at the library are doing to further their leadership skills. Pyko shared that by end of today Strategic Planning Committee will be getting an email with a link to the survey for the community. She will ask members of that committee to share the link with others. Pyko asked Paul Brennan to speak on TSCPL @ School at the next Board Meeting.

Chief of Staff Thad Hartman shared that HTK Architects will do a presentation of bids. The bids for New and Novel renovations came in at what we Hartman and HTK Architects were expecting. Hartman shared that there were not as many bids for shelving as he would have liked as it's a specialized type of shelving. Hartman is hopeful to share news of the Public Services Supervisor selection.

Pyko shared that there will be a First Reading of a Named Recognition Recommendation that will be presented before the board. Pyko stated an amendment and restatement of the MOU with United Way of Kaw Valley will be presented due to the name change of the organization. This change will also go before the United Way board for consideration.

Other Items

Jim Edwards and Joan Hicks were reappointed as Trustees at the April 4 City Council Meeting. Liz Post and Beth Dobler are to be reappointed on April 18. Pyko stated she plans to call in to talk to Commissioner Cook about the library's 10th Trustee.

Pyko shared that the Trustee Education Topic for the April meeting will be TSCPL @ School. In May, Robert will speak about statistics and where our numbers are and how things are going in terms of trends as it is important to have real-live data information as we start fine tuning the strategic plan.

Pyko shared she did have Chuck do a possible revision to the Public Comment Policy as there is nothing included for how a person could engage in public comment in an online environment. Pyko will have the blue lined copy prepared for the board packet.

Chair Jim Edwards thanked the Trustee Executive Committee and Topeka and Shawnee County Public Library Executive Staff. Edwards looks forward to serving under the new officers.

No other items were discussed

Adjournment

CHIEF EXECUTIVE OFFICER'S REPORT April 2023

News and Updates

Dolly Parton's Imagination Library (DPIL) with the United Way of Kaw Valley

Unfortunately, we did not receive the March enrollment report from United Way in time for the board packet posting. I will continue to work to get them and will include an enrollment report at the board meeting.

Performance Goals 2023

For the April report and meeting, I will highlight leadership roles that our management team is involved with throughout the community. While I am actively involved with several community groups or organizations that complement the library's mission and goals, I am not the only library leader who sits at other community tables. Here are just a few of the library leaders who are actively involved in local, regional, and national initiatives and groups.

Debbie Stanton- Public Services manager currently serves on the GTP Leadership Greater Topeka Advisory Board. She has been involved for a few years where she helps design the annual plan and in the selection of members for each class.

LeAnn Brungardt- Youth Services supervisor serves on the Communities Support Early Literacy program which is funded by a grant through the Kansas Health Foundation and the Transition to Kindergarten community collaboration funded through the Children's Cabinet.

Jacqueline Belden- Program Services manager serves on the TSC Get Digital Coalition, the American Library Association (ALA) Equity, Diversity and Inclusion Assembly and is in the 2023 Leadership Greater Topeka graduating class.

Scarlett Fisher-Herreman- Technical Services manager is a member of the Mountain Plains Library Association and will be participating in the 2023 Leadership Institute in May in Estes Park, CO. She also is on the Web and Digital Pathway at TCALC.

Jesse Maddox- Chief Human Resources Officer is currently involved in the HR Executive Group, is an active member of SHRM and continues to support community activities with his Leadership Greater Topeka class.

Ashley Charest, Library Foundation Director is actively involved many community groups including Topeka South Rotary, Junior League of Topeka, Washburn University Alumni and Foundation board, Ballet Midwest Board and Girl Scouts of NE Kansas and NW Missouri. Additionally, she is an active member of Association of Fundraising Professionals, ALA, and PLA.

Strategic Plan 2023

The community input phase of the strategic plan continues. On April 3, 2023, the staff survey

was posted to all staff. Managers and supervisors have agreed to offer time for any staff members who would like to share input to be able to complete the survey. The survey link goes directly to The Ivy Group for compiling. It is a completely anonymous survey so that each staff member can comfortably share their ideas and opportunities for the library with our consultants. The survey also does ask for feedback on challenges that staff observe or experience. The survey will run through April. After the survey closes, the Ivy Group will share the aggregate information with the strategic planning team.

On April 10, 2023, the community survey was deployed. Working with Communications and Marketing, we have developed a series of strategies to reach our community including working with our partners and the strategic planning stakeholder team. There is a direct link and a QR code available to help facilitate access to the survey. Additionally, bookmarks, the e-newsletter and distribution of the paper surveys have occurred to ensure we have a good participation level. Paper copies are being distributed to the Red Carpet Services delivery stops. We will print more paper copies if necessary.

The community survey has been time tested to take about 10 minutes when taken online and it goes directly to the Ivy Group, our consultants, just like our staff survey.

Once we have a substantial number of surveys completed Julia Prince and Sara Hamfeldt will identify a date to return to Topeka for the Implementation Workshop- a one day strategic planning team session.

New Business

Nominating Committee and Election of Officers

According to the Bylaws of the Board of Trustees of the Topeka and Shawnee County Public Library, Article II: Officers, section 2. Nomination Procedures and Time of Election (approved May 21, 2015); "at the regular meeting in March the Board shall elect a Nominating Committee of three trustees. It shall be the duty of this committee to nominate candidates for offices to be filled at the annual meeting. Additional nominations may be made from the floor at the annual meeting." The names for members of the Nominating Committee are part of the resolution included in the board meeting packet.

Public Comment Policy-first reading

In an effort to provide access to public comment in the current hybrid meeting model, I am bringing to the Board amended language to include electronic means in addition to in person. The policy and procedures for participation in public comment remain the same.

Named Recognition Recommendation to the Board of Trustees

In accordance with the Named Recognition Policy, I am submitting a naming recognition for your review and approval. In August 2022, I began speaking with Emmett Thompson about the potential of leaving a legacy gift to the library in honor of his mother Beverly Thompson. In April

2023, Ashley Charest discussed the legacy gift and the pledge process with Emmett, and he made a gift that meets the threshold needed to name Team Room #2. Team Room #2 of the collaboration spaces will be named the Beverly J. Thompson Room. Note this is the first reading. We will ask for your approval at the May meeting. Please see the Named Recognition document in the packet.

Here is the process as outlined in the Named Recognition Policy:

Procedure for Named Recognition

The Trustees, upon the recommendation of the chief executive officer and with the advice of The Library Foundation Board of Trustees, shall approve the naming of all facilities, assets, and programs, including the time, place, and manner of the recognition.

The duration of the named recognition shall be specified by the Trustees as in perpetuity, as a stated number of years, as the lifetime of the donor(s), or as the existence of the facility, asset, or program. Any recommendation of perpetual named recognition pursuant to this policy must appear on the agenda of two consecutive monthly meetings of the Trustees prior to any action being taken on the recommendation.

The Trustees shall bear the expense of and determine the propriety of the named recognition display, which shall conform to the architectural standards approved by the Trustees.

Resolution- Amendment and Restatement of MOU with the United Way of Kaw Valley regarding the Dolly Parton's Imagination Library

With the official merging of United Way of Greater Topeka and United Way of Douglas County, it was necessary to update and amend the Memorandum of Understanding with United Way regarding the Dolly Parton's Imagination Library. The amended MOU includes the new name of the organization the United Way of Kaw Valley. The agreement details and responsibilities remain the same as the MOU approved in December 2020.

New and Novel

There are two action items in this month's board meeting agenda related to the New and Novel space. As you'll recall from the presentation last meeting and previous discussions, our New Books collection was moved into the Team Room space a few months ago as part of the changes to our Movies & Music

Lounge. A design was created in conjunction with HTK Architects to update the space and make it more inviting and suitable for readers and reading. The first action item is for bids for the construction work in this space. This work is primarily related to painting, removal of built-in shelving, and the addition of a custom staff desk. We received three bids and are recommending we accept the lowest bid from Kendall Construction. While we have not worked with Kendall Construction on any recent Facilities projects, HTK has worked with them and has had positive experiences.

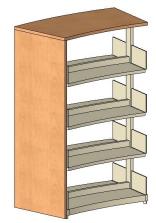

The other bid is for the shelving in New and Novel. The shelving identified is a curved shelving that will create an

interesting and engaging flow into the room. It will help lead customers into the space and into the wings, but also display the collections in an attractive manner. It was decided to go with steel shelving as opposed to wood, as this is stronger and won't get nicked or chipped over time. It will also match the shelving in New and Novel and the rest of the areas of the library. Unfortunately, this is fairly unique shelving and we only received one bid.

The good news is the bid we received was from LFI, who we have purchased shelving from in past, including in the recent Movies & Music Lounge project. We have been pleased with their service and product. Their bid was in line with what we had budgeted. We reached out to prospective bidders to

find out why they didn't bid. One vendor who bid on the previous project said that they saw their bid on the Movies & Music shelving was not priced competitively and didn't feel it was worth it to bid again this time. We also checked on similar products that didn't meet our specifications to see if they might be options, such as curved wooden shelving. The price on this type of shelving was in a similar range as the LFI bid, but we felt that the steel shelving was important enough to not pursue changing to wooden shelving.

Although we wished we had received other bids, the fact that we have had great experiences with LFI, the price quoted was reasonable and what we had budgeted for shelving, and the unique nature of the shelving, we are recommending that we accept the bid from LFI for shelving in the New and Novel area.

Staffing

Human Resources has been busy posting and filling positions in all areas of the Library. We have been fortunate to hire several new staff members that we are excited to have on board, as mentioned in a couple of the reports below.

This past month several of us have been involved in the interview and selection process for the Public Services Supervisor position, that will fill the opening left by Debbie Stanton when she moved into her new position. We had several high-quality candidates and had some very difficult decisions to make. However, we are nearing the end of the process and are excited to soon have this position filled. This will be very helpful for that department and take a lot of pressure off of the staff and Autumn and Debbie.

Department Highlights

Public Services Debbie Stanton, Manager

Topeka Room Connections with KTWU

Genealogy Librarian Sherri Camp has worked with KTWU on two recent film series. Sherri was interviewed on the *Inspire: Underground Railroad in Kansas* series to talk about the family histories of important figures in the Underground Railroad. Her two segments can be seen here:

- Part 1: https://www.facebook.com/ktwu11/videos/1836076873418594
- Part 2: https://www.facebook.com/ktwu11/videos/579724280476730

Sherri also helped coordinate the research and filming for the upcoming KTWU *Identity Quest* series, which is named after the genealogy conference we hosted in 2020 and 2022. We'll be doing early screenings for the guests from the show and the public at the library on April 16, May 14, and June 11 all at 3pm in the Learning Center. The shows will then air on KTWU Channel 11 the Thursday after each of those screenings at 8pm.

Gallery Exhibit "Shades of Greatness" Inspires Visitors

Art Librarian Brea Black shared these great comments from visitors to our current gallery exhibit:

- A visitor from Las Vegas was so impressed with the artwork and layout of the exhibit he posted on WhatsApp as he went through so he could share it with other people a friend in The Netherlands was inspired, so we're international!
- A visitor shared: "I'm from California and have lived around the world. I have never seen a library like this! it's wonderful!"

Visitors are telling other people about the exhibit and we're getting new people in:

• "My daughter told me I had to come and see this, that it's the best part of the library. Fabulous exhibit. I am 84, I remember some of these players. I hadn't known the story of 'Signing Bonus,' that's really interesting."

In general, we continue to get excellent feedback on the exhibit and are having great conversations with people who have some connection to the Negro Leagues - family member played, they went to the games, etc. Also, someone who worked at Degginger's Foundry, they did some of the statues for the Negro Leagues Museum, was in to see the exhibit. So many unexpected connections!

Level 2 Tech Center Spreads Information on 3D Printing

On March 24, we installed a new 3D Print Instructional Display in the Digital Art Studio!

Since the 3D printers aren't running 12 hours a day, when new customers tour the space they don't see what a 3D Printer can make. We're hoping this display will increase interest in the 3D Printer.

The objects in the display are designed to illustrate a variety of the common vocabulary of 3D printing, including:

- Scaling (5 Eevees)
- Supports (T-rex)
- Failed Print (the orange spaghetti)
- Finishing/Painting/Coloring (coin and snowflake)
- Custom/Personalized design (the Simpsons-family ornament)
- Print Speed (3 Einsteins)
- Infill (flat red sample)

The art-gallery-style tags explain what concept each object is showing. Public Services Specialist Jacob Ziegler from the Circulation, Community Connections Librarian Lissa Staley and Exhibits Curator Zan Popp collaborated to create this educational display.

So far this year, 32 people have

attended Cricut Workshops and 42 people have attended 3D Printing Workshops. Instructor Lissa Staley shares, "I frequently have all combinations of family members or friends attend together, including adults with their adult children, or grandparents with their teenage grandchildren. My favorite part is that people leave the 3D Printing Workshop with 'homework' which encouraged them to come back within a month of being certified to use the equipment independently and complete their first 3D print project for free."

Public Services Autumn Friedli, Supervisor – Readers Services

Authors

Readers Librarian Miranda Ericsson along with Specialist Hayley Swisher recently collaborated on a fascinating author event. There is something fascinating about abandoned places and their history. In March our library hosted Emily Cowan, the author of *Abandoned Topeka: Psychiatric Capital of the World* and founder of the tremendously popular Abandoned Atlas website. Cowan's book was one of our library's most popular nonfiction checkouts in 2022.

Over 40 people attended the event to learn more about abandoned places in Topeka and hear about Cowan's work to build a nonprofit focused on preservation. Cowan returned thoughtful answers to every question and stayed around until the library closed to continue chatting with attendees about history and future plans. We hope to host Cowan again when she releases her next book about abandoned Kansas hospitals.

Services

The Library's Book Group in a Bag team is constantly working behind the scenes to keep this service running smoothly. Over the past year over 30 new kits have been added to the collection, including a selection of racial justice book kits that were grant funded. The team puts together a discussion guide for each kit that includes questions, information about the author, relevant background information and a sign out sheet for the books. One book group in a bag customer contacted us recently with these comments "My book club loves the book bag program! Please tell all involved how much the P.EO. Chapter HW book club appreciates the work they do to make these book bags possible."

Our book group in a bag collection also supports the library sponsored book groups. The Library just started a True Crime book club that is meeting quarterly on Thursday evenings and several true crime titles are being added to the collection to support this endeavor. The So Many Books discussion group has been meeting at the library for over 10 years, and at one of their recent meetings a member exclaimed "I've laughed more at this meeting than I ever did at my old book club". Our book discussion groups and book group in a bag collection are much appreciated in our community.

Deb Ellerbrook is the librarian that oversees the Book Group in a Bag team.

Community

Community Impact Librarian Melissa Vincent shared the following March updates. Since February, I have worked with Cover KS, which is a part of the Community Care Network, to have a table in the Rotunda the 1st Monday of the month. These Health Insurance Navigators connect with patrons to answer questions about Marketplace & KanCare health insurance, to see if they qualify, and update information. Since February, Navigators have been engaging with 20-40 people every month and are going to continue to come through the summer months.

Last week, I had the honor of representing the library at the city's Homelessness Summit. I, along with 60 people from 45 agencies, spent the day discussing how agencies could better collaborate and

communicate in order to address this spiraling issue. As the library considers how we want to meaningfully impact our community, I was grateful to be at the table in order to make meaningful connections and participate in these powerful conversations so we can better understand the big picture of the challenges we face.

Older Adults

The Red Carpet Outreach team has two new staff!! Liza Charay and Bret Wilson are our newest teammates. Over the past couple of weeks, they have been learning the ropes from our long-time Red Carpet staff and so far they seem like naturals.

Celebration planning is underway for Red Carpet Anniversary week, August 21st through 25th. We will celebrate 50 years of this one-of-a-kind service – no kidding, TSCPL was one of the FIRST to do it and are still doing it with pride and dedication. Be on the lookout for more details coming soon and please make plans to join in on the celebration!

Youth Services LeAnn Brungardt, Youth Services Supervisor

We have had a flurry of recent events for which we have taken part. Sheldon Head Start held their Family Literacy Night here with their families. Part of their activities were provided by us, and included card sign up, a tour of the Kids' Library and storytime. We took part in the 2nd annual Roll and Read as a community kick off to Week of the Young Child. Topeka Public Schools Parents as Teachers and the United Way of Kaw Valley orchestrated this resource event that included stroller decorating, reading stations, and free food at Evergy Plaza and Red Bud Park. We also took part in Stormont Vail's Welcome Baby Jubilee to inform soon to be parents of resources that the library has to offer including Dolly Parton's Imagination Library, 1,000 Books Before Kindergarten, the Learn and Play Bus, Baby Bookworms, board books, and parenting resources. For older kids, we attended Topeka Public School's Indigenous Families Night. This event provided opportunity for engagement with TPS's families. While it was also a resource event, library card sign up was what we featured.

Five members of the Youth Services Department, Luanne Webb, Sherry Hess, Kyler Carpenter, Debbie Reiff, and LeAnn Brungardt, all attended the North Central Kansas Libraries System and Northeast Kansas Library System sponsored Early Literacy Symposium. The featured presenter was Beth Fredericks and topics included exploring STEM concepts with young children, executive function skills and family engagement post pandemic.

Last month I reported that we were preparing to launch ABCmouse. It is up and running. A guest-type experience is available on the preschool computers in the Kids' Library. The full experience is available from the website and is accessible from any device. We are excited to spread the word about its availability through the library.

We held our first e-sport program in the Edge. Teen Librarian, Angie Reed, coordinated this opportunity with Ryan Rockwell and Fred Willer. They brought an existing group who was looking for a space to

utilize and hope to build interest and players over time. E-sports have gained popularity on high school and college campuses. We are excited to have a group here. It is a great way to socialize, gain tech skills and polish sportsmanship skills. It can also be a pathway to scholarship opportunities.

Success Stories

Sherry Hess, Early Childhood Learning Coordinator, shared this Learn and Play Bus story. Raelynn, her cousin (Ellie), and their grandma became regulars to the Lakeview stop after COVID. Raelynn was two and Ellie was three at the time. Staff have remarked on how we have gotten to watch both girls learn and grow. This school year, Ellie went to preschool. Raelynn and grandma still come the Learn and Play Bus. Raelynn is a model for storytime; singing the song, doing the actions, listening to the story, etc. Recently, grandma was telling me how she had suggested to a neighbor that she bring her grandchild to the bus. They all made a visit together. I was taken back Raelynn. She showed the neighbor the "play bus".

Specialists, Judy Espinosa-Gonzalez and Kathy Ellison, worked with an older customer who found her way to the Kids' Library. The woman was overwhelmed. She spoke mostly Spanish and was trying to find out how to get help with her taxes in her first language. Being bilingual, Judy led the interaction. In addition to helping her locate services and setting up an appointment, staff helped her map how to get there. As they wrapped up, the woman cried. She kissed Judy's hand and called her an angel and commented about how well both staff members had treated her.

Natalie Moreland made a note about an interaction she had with a high school senior. "This morning I had the opportunity to meet with a high school senior, Cal, who was preparing for a persuasive speech for her college Public Speaking class. She's speaking on the importance of libraries and librarians in the modern world and interviewing several librarians in preparation.

It was *awesome* to see a young person so enthusiastic about the role of libraries in building strong communities. We spoke about the unifying power of libraries because they are truly for everyone, and she shared with me how important the bookmobile service was to her family when she was younger. We talked about the value of lifelong learning in both formal and informal ways."

Community Services Patrick Berry, Community Services Supervisor

Bookmobile

For bookmobile, it was another good month with checkouts hitting numbers over 5400 items.

@Home Delivery Service

Another good showing this month. While last month saw over 3200 items delivered. March saw this focus team deliver over 3500 items, which is the most in over 6 months.

Parades and Events

We had a fun group attend the St. Patrick's Day Parade here in Topeka!!! Yay team!!!!

New "Notify Me" feature in Overdrive

On May 1st, Overdrive will be making a change to the way Overdrive users manage purchase requests at the Overdrive website and in Libby. For nearly a decade, users have made requests through a system within Overdrive called "Recommend to Library" or "RTL". A user makes an RTL request for content we don't own, new titles that aren't yet available, and titles we no longer have an active license for. RTL requests have become the predominant format for all purchase requests, constituting nearly 85% (physical items and digital) of all purchase requests made by customers. We have consistently received between 1,200 – 1,500 individual RTL requests each month.

With the official move away from the legacy Overdrive app to Libby also happening on May 1, Overdrive is transitioning from the current RTL system to a new system called "Notify Me". With the Notify Me feature, users have the option to alert us to content they are interested in that we don't already own (or that is not yet published) by clicking on the "Notify Me" tag. If the library decides to purchase the ebook or digital audiobook, users will be notified that we've made the purchase and will have the option to place a hold or download the item. On the administrative side of the system, the selectors and I see each of the requests for books tagged with "Notify Me". Selectors are reviewing the carts with these books each week, moving some to purchase carts and others to carts for later decision-making. As with RTL, we have requests for content that will not be released for several months or even a year from now. There is no limit to the number of titles users can tag with Notify Me so we may see an increase the number of in titles users flag for our purchasing consideration. To manage this, we have set our weekly

reports to show us all titles with at least 2 Notify Me tags. An advantage of the new Notify Me feature is that we can more easily see what's trending in terms of customer interest. There's a priority given to showing us Notify Me titles in the purchasing tools which was always lacking with the old RTL system. I am curious to see how Notify Me changes our management of customer requests and I think it will be a positive change for our customers and for our internal management of Overdrive purchasing.

New Staff Join the Circulation Team

We are very excited to have four new part-time staff join the Circulation team. Lisa Bebout, Maegan Hepburn, April Perez, and Allie Vaughn started their Library Associate jobs within the last month and have been busy with their training assignments. The Library Senior Associates, Donna Casey, Christina Carver, Michelle Griffith, and Sandy Patterson have been doing a great job helping them learn all the tasks they will be responsible for.

New Polaris Database Cleanup Project

As we wind down the PACREG Polaris database cleanup project, we are getting ready for another couple Polaris cleanup projects with TSCPL@School accounts.

The first project is to transition about 3,000 seniors into library card holders. We will do this using a similar process as to how we transitioned the temporary PACREG accounts into cardholders.

The second project is to remove about 4,300 TSCPL@School accounts from the Polaris database that are associated with students that have graduated years earlier. Shannon Eddings, Systems Database Administrator, ran some reports to see if any of those accounts are actively using library resources. We learned that there are about 200 active accounts, so we hope to transition them to library cardholders as well.

Book Lockers

Both Book Lockers are in place and fully functioning. We had some hiccups on the vendor's part, but they are (mostly) corrected. We are still waiting for a back panel for one of the kiosks: shipping delays have caused this to be delayed, but it doesn't impact the functionality of the locker. Once we have that in place, we will get it wrapped with our logo.

A/V Upgrade in the 2nd Floor Meeting Rooms

All the equipment has come in, and we have our upgrade for projectors, etc. in the 2nd floor meeting rooms scheduled for May. This project has taken a long time to complete because of shipping delays. With this upgrade, each meeting room will have Zoom video conferencing capabilities. As you can see with both my reported projects, shipping delays for technology-related items is a continuing issue and will be for the foreseeable future. That means that some of the library's technology projects will take longer to complete.

Monty the Bontebok Book Club

Thanks to a suggestion from Lissa Staley, and Ginger Park coordinating the project, we are collaborating with Topeka Zoo's Monty the bontebok. Monty is a new animal at the zoo who is part of the Giraffes and Friends exhibit. To acclimate Monty to people, zookeepers are reading to him. We have been highlighting Monty's reading, zookeepers are checking out books with the help of librarian Kyler Carpenter and have even given Monty his own library card. You can follow along and learn what a bontebok likes to read by liking Monty' Book Club on the library and the zoo's Facebook, Twitter and Instagram. On April 6, outreach storyteller and Zoo docent Rhonda Cathey offered a storytime for Monty and his friends at the zoo. Watch the video

Reevaluating classic rock albums through remixes

Posted on January 18, 2023 by Stephen Ferrell

O ne of the most interesting trends in music today is the remix of older albums. No, not an album of dance remixes or rap versions. And no, not a simple remaster, which is pretty common. Many albums are getting a complete overhaul from their basic elements, which usually *are* remastered. That means the instruments and effects

are mixed against each other in a completely new way. Sometimes things

Resolution – Bid for New and Novel Renovations

BOARD OF TRUSTEES April 20, 2023

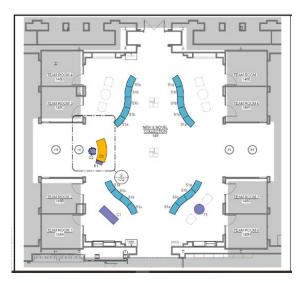

Be it resolved that the Board of Trustees, Topeka and Shawnee County Public Library, approves the base bid from Kendall Construction, Topeka, Kansas, in the amount of \$27,750 and the second alternate in the amount of \$10,857 for renovations in the New & Novel area. The total expenditure of \$38,607 shall be paid from the General Fund, Special Projects line.

Policy and Background Information:

In December 2021, a team of library staff members began working with HTK Architects to develop a plan to refresh the design and purpose of the New / Media room. One of the results of this project was to move the New Books collections into the area that features the Team Rooms, directly adjacent to the fiction and nonfiction collections.

This move allowed the library to dedicate this section of the building to readers and reading, with the New and Novel area serving as the central location. It also allows for a much more logical flow throughout the library and puts like materials and behaviors into areas that are better designed for those needs.

In addition to moving the New Books into this area, a design was created by HTK Architects in combination with library staff that would update the look and feel and would be better suited to the needs of readers. A new layout was created which will utilize new curved shelving (included in a different bid), and room renovations requiring a modicum of construction. This work will primarily consist of painting the space to match the updated color pallet, removal of existing built-in shelving that is no longer in use, and the addition of a custom-built desk. This space will primarily use existing library furniture.

Bid Process

In preparation for the bid process Library staff worked with HTK Architects to create a plan for the space, including construction, furniture, and shelving layout. Furniture and shelving are not included in this bid. HTK provided specifications for the work and created a Request for Proposal.

In accordance with the Board of Trustees Purchasing Policy dated January 19, 2017, this project was expected to exceed \$20,000 and bids were sought through a fixed-bid, Request for Proposal (RFP) issued February 24, 2023.

The RFP and related documents were posted on the Library's website and email notification was sent to several companies regionally who have worked on similar projects. The project was also published on Topeka BluePrints' online plan room. Once posted there, all contractors who choose to receive updates on projects bidding were notified. A site walkthrough was held on March 14,2023 and bids were due on April 6.

Bids were received at a public meeting over Zoom at 2:00 PM, April 6, 2023. Three bids were received before the bid deadline; all were submitted electronically.

Staff Recommendation:

The low bid was from Kendall Construction, Topeka, KS. This bid met all the necessary criteria. While the Library has not worked with Kendall Construction on any recent projects, HTK has worked with them in the past, and has positive experiences.

TSCPL staff recommends the base bid and alternate number 2 for a total of \$38,60 submitted by Kendall Construction, Topeka KS, be approved for the New and Novel Renovations.

Resolution – Bid for New and Novel Shelving

BOARD OF TRUSTEES April 20, 2023

Be it resolved that the Board of Trustees, Topeka and Shawnee County Public Library, approves the bid from Library Furniture International, Inc, Wheeling, Illinois, in the amount of \$57,415 for the purchase and installation of shelving in the New and Novel area. This expenditure shall be paid from the General Fund, Special Projects line.

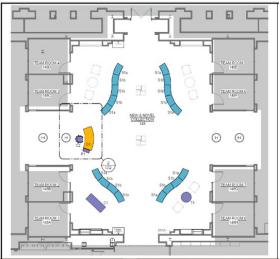

Policy and Background Information:

In December 2021, a team of library staff members began working with HTK Architects to develop a plan to refresh the design and purpose of the New / Media room. One of the results of this project was to move the New Books collections into the area that features the Team Rooms, directly adjacent to the fiction and nonfiction collections.

This move allowed the library to dedicate this section of the building to readers and reading, with the New and Novel area serving as the central location. It also allows for a much more logical flow throughout the library and puts like materials and behaviors into areas that are better designed for those needs.

In addition to moving the New Books into this area, a design was created by HTK Architects in combination with library staff that would update the look and feel and would be better suited to the needs of readers. A new layout was created which will utilize new curved shelving and room renovations requiring a modicum of construction (construction included in a different bid). The shelving will be similar to our current shelving, with a steel frame and shelves and laminate end caps. However, the shelving will be curved, which will be unique to this space.

This shelving will create an interesting and engaging flow into the room. It will help lead

customers into the space and into the wings, but also display the collections in an attractive

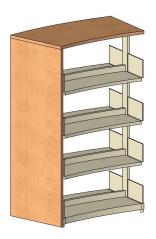

manner. It was decided to go with steel shelving as opposed to wood, as this is stronger and won't get nicked or chipped over time.

Bid Process

In preparation for the bid process Library staff worked with HTK Architects to create a plan for the space, including construction, furniture, and shelving layout. Furniture and shelving are not included in this bid. HTK provided specifications for the work and created a Request for Proposal.

In accordance with the Board of Trustees Purchasing Policy dated January 19, 2017, this project was expected to exceed \$20,000 and bids were sought through a fixed-bid, Request for Proposal (RFP) issued February 24, 2023.

The RFP and related documents were posted on the Library's website and email notification was sent to several companies

regionally who have worked or bid on similar projects. Once posted there, all vendors who choose to receive updates on projects bidding were notified. Bids were due on April 6.

Bids were received at a public meeting over Zoom at 3:00 PM, April 6, 2023. One bid was received before the bid deadline; it was submitted electronically.

Staff Recommendation:

The only bid for shelving was from Library Furniture International (LFI), Wheeling, IL. This bid met all the necessary criteria. While only receiving one bid for this shelving was disappointing, it was not surprising. This is fairly unique shelving and the library has had difficulty in the past getting multiple bids for shelving. HTK reached out to other vendors who had bid in the past. One declined to bid this time because their earlier bid was not competitive price-wise, so they decided it was not worth it to bid this time. The library also looked at other similar options available from vendors, primarily curved shelving that is wooden. However, the price was essentially the same as the LFI shelving, without the benefits of the steel shelving that we are looking for. The LFI shelving came in at a price that is in line with what is budgeted for this project. LFI has provided shelving in the past for the library, including the recent Movies & Music Lounge shelving. These experiences have been very positive, and the shelving has been of high quality. Because of the unique nature of this shelving, positive history with LFI, LFI's history of low bids, and because the price quoted falls in line with what was budgeted for shelving, we feel comfortable recommending this bid.

TSCPL staff recommends the bid of \$57,415 submitted by Library Furniture International (LFI), Wheeling, IL, be approved for the Movies and Music Lounge Shelving.

Pursuant to the "Procedure for Named Recognition" in the "Named Recognition Policy" of the Topeka and Shawnee County Public Library Board of Trustees, this recommendation will appear on the agenda on the April 20, 2023 and May 18, 2023 Board of Trustees with action on the resolution taking place at the May 18, 2023 meeting.

The **Named Recognition Policy** is attached to this document.

Named Recognition Policy

Overview

The Topeka & Shawnee County Public Library (TSCPL) Board of Trustees shall approve the time, place and manner of naming its facilities, assets and programs.

Definitions

"Facilities" include buildings and their public interior spaces, and gardens and major exterior ground spaces owned or leased by TSCPL.

"Assets" include motor vehicles, collections, fixtures, sculptures, and other personal property suitable and appropriate for named recognition.

"Programs" include activities carried out on a perpetual or regular schedule including but not limited to lecture series, summer reading programs, musical performances, book discussion groups, etc.

"Donor(s)" are those individuals or entities who have made financial contributions to The Library Foundation for the benefit of TSCPL.

Eligibility for Named Recognition

Facilities, assets and programs may only be named for individuals and entities of good moral character and reputation in recognition of their outstanding service to TSCPL or financial contributions to the TSCPL.

Procedure for Named Recognition

The Trustees, upon the recommendation of the executive director and with the advice of The Library Foundation Board of Trustees, shall approve the naming of all facilities, assets and programs, including the time, place and manner of the recognition.

The duration of the named recognition shall be specified by the Trustees as in perpetuity, as a stated number of years, as the lifetime of the donor(s), or as the existence of the facility, asset or program. Any recommendation of perpetual named recognition pursuant to this policy must appear on the agenda of two consecutive monthly meetings of the Trustees prior to any action being taken on the recommendation.

The Trustees shall bear the expense of and determine the propriety of the named recognition display, which shall conform to the architectural standards approved by the Trustees. No product logos or commercial signatures shall be included in the design of the named recognition display. Should the name of the recognized individual or entity change during the duration of the recognition, the Library shall not bear the expense of altering the recognition display to reflect the name change. The grant of named recognition by the Trustees pursuant to this policy confers no property rights or interest upon the donor, individual or entity so recognized, either in law or equity, actual or implied, real, or personal, whether past, present or future. Further, no contribution for the benefit of the TSCPL may be conditioned upon receipt of naming rights by the donor without the express written consent of the Trustees.

The Trustees reserve the right to revoke a prior grant of named recognition whenever compelling reasons or circumstances justify such action.

Nothing herein shall preclude or prevent the Trustees from modifying, changing, renovating or disposing of any TSCPL facility, asset, or program.

Applicable Law

This policy is subject to applicable Kansas and federal statutes and as they may be amended from time-to-time.
