

# Using Overdrive with an iPhone to checkout and download MP3 audiobooks

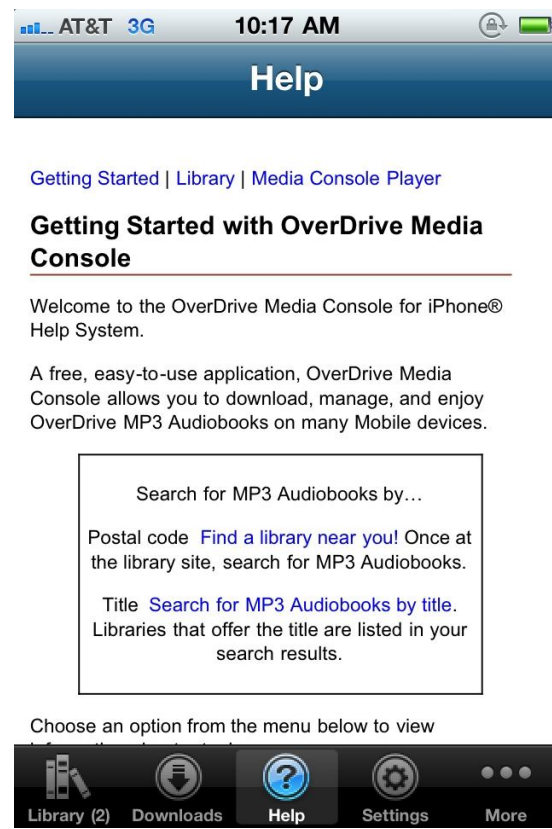

An illustrated guide (updated September 16, 2010)

## 1. Download the Overdrive App

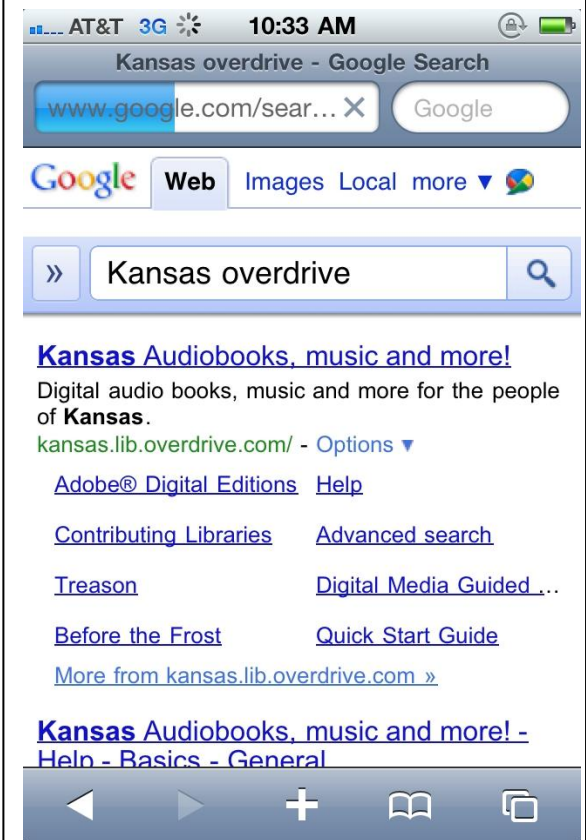

Download the free Overdrive Media Console App from the App Store.

## 2. Open the Overdrive Media Console App

The Overdrive Media Console App allows you to play Overdrive MP3 Audiobooks on your iPhone. The Overdrive App doesn't provide you with any content for your iPhone. Get the content from your library's Overdrive website.

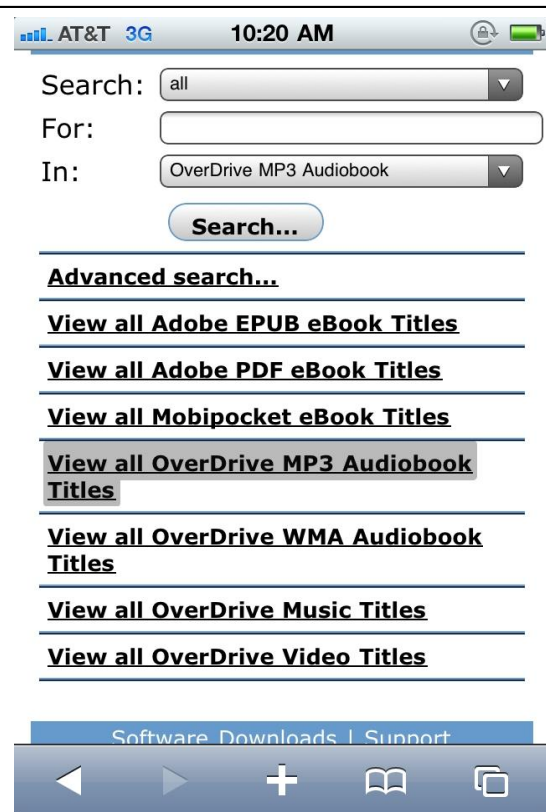

## 3. Go to your local library's Overdrive website

Using your iPhone's web browser, locate the website of your local library's Overdrive website.

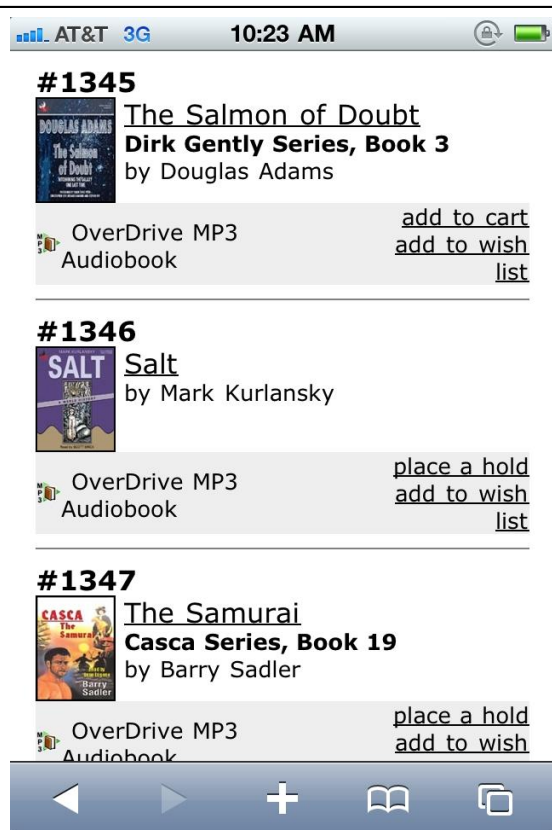

For the most current information on Overdrive and iPhone compatibility please visit the Help sections at <http://kansas.lib.overdrive.com>

#### 4. Browse the website to view MP3 Audiobook titles

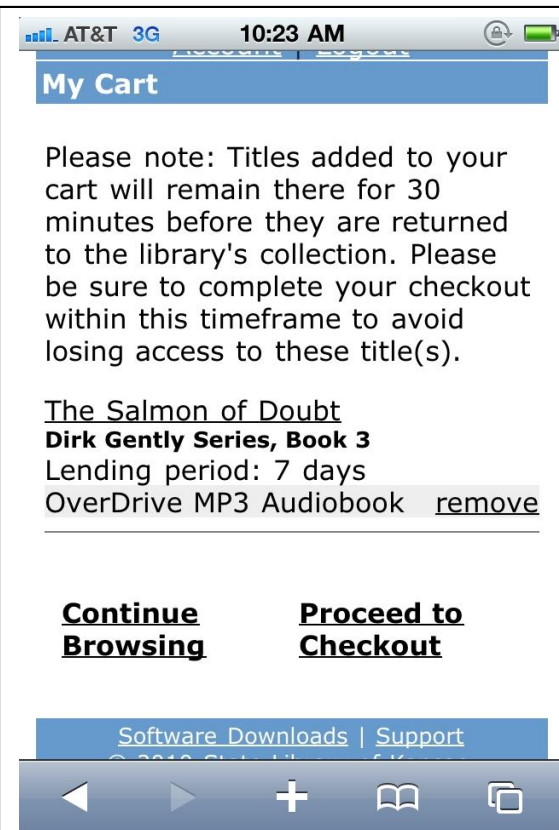

The mobile version of your library's Overdrive website offers limited searching. The "View all Overdrive MP3 Audiobook Titles" option is the most useful, since the only the MP3 Audiobooks are compatible with the iPhone currently.

#### 5. Browse to find an available MP3 Audiobook

Browse to find a title of interest to you. "Add to cart" indicates the title is currently available for checkout. "Place a hold" indicates you can add yourself to the waiting list for that title. Be sure to only choose titles that are the Overdrive MP3 Audiobook format.

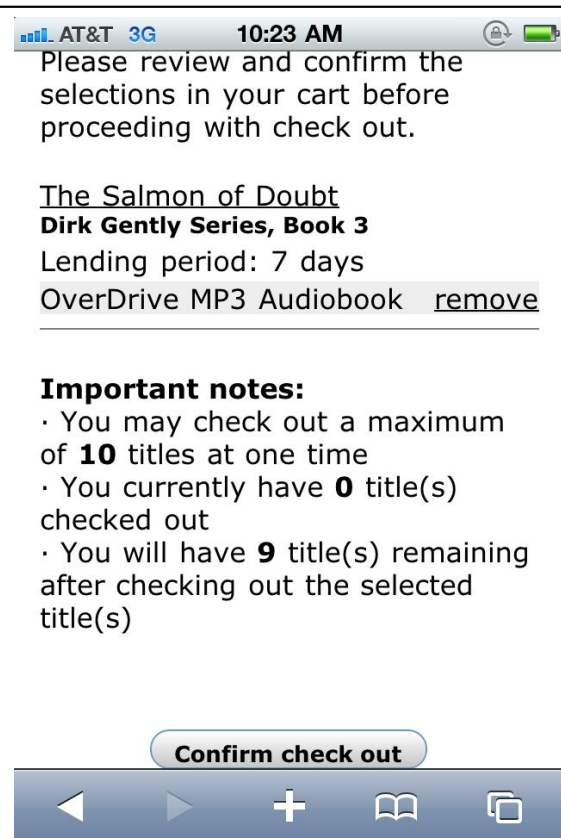

#### 6. View the title in "My Cart"

Much like other online shopping experiences, the details of your transaction are confirmed here. You can add more titles to your cart or proceed to checkout.

## The Overdrive MP3 Audiobooks are the ONLY Overdrive titles currently compatible with the iPhone.

### 7. Confirm check out

AT&T 3G 10:23 AM

Please review and confirm the selections in your cart before proceeding with check out.

The Salmon of Doubt  
**Dirk Gently Series, Book 3**  
Lending period: 7 days  
OverDrive MP3 Audiobook [remove](#)

**Important notes:**

- You may check out a maximum of **10** titles at one time
- You currently have **0** title(s) checked out
- You will have **9** title(s) remaining after checking out the selected title(s)

[Confirm check out](#)

Navigation icons: back, forward, home, book, share

The checkout defaults to a 7 day lending period. Contact your local library for assistance with using Overdrive if you have trouble logging in with your library card.

### 8. Download your selection

AT&T 3G 10:24 AM

 **The Salmon of Doubt**  
**Dirk Gently Series, Book 3**  
by Douglas Adams

Checked out on: Sep 14, 2010  
Expires on: Sep 21, 2010

OverDrive MP3 Audiobook (226729 kb)

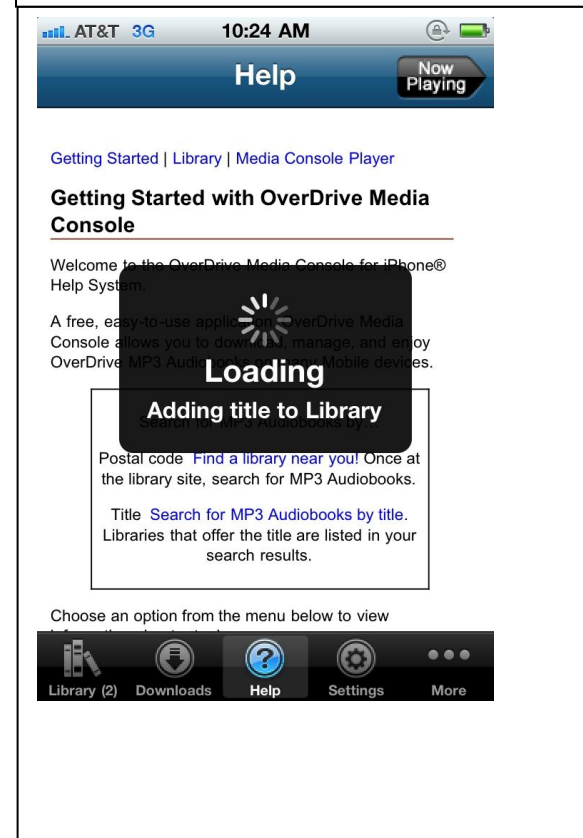

[Download](#)

OverDrive Media Console is available for Android™, BlackBerry®, iPhone® (including iPad™ & iPod touch®), & Windows Mobile® devices. Other devices may support some formats; you'll need to download to a computer then transfer to the device.

Navigation icons: back, forward, home, book, share

Download your selection directly to your iPhone. Remember that steps 3-8 to acquire audiobook content all took place within your iPhone's web browser at the Overdrive website for your library.

### 9. Open Overdrive App

AT&T 3G 10:24 AM

**Getting Started with OverDrive Media Console**

Welcome to the OverDrive Media Console for iPhone® Help System.

A free, easy-to-use application, OverDrive Media Console allows you to download, manage, and enjoy OverDrive MP3 Audiobooks on mobile devices.

**Loading**

**Adding title to Library**

Postal code [Find a library near you!](#) Once at the library site, search for MP3 Audiobooks.

Title [Search for MP3 Audiobooks by title.](#) Libraries that offer the title are listed in your search results.

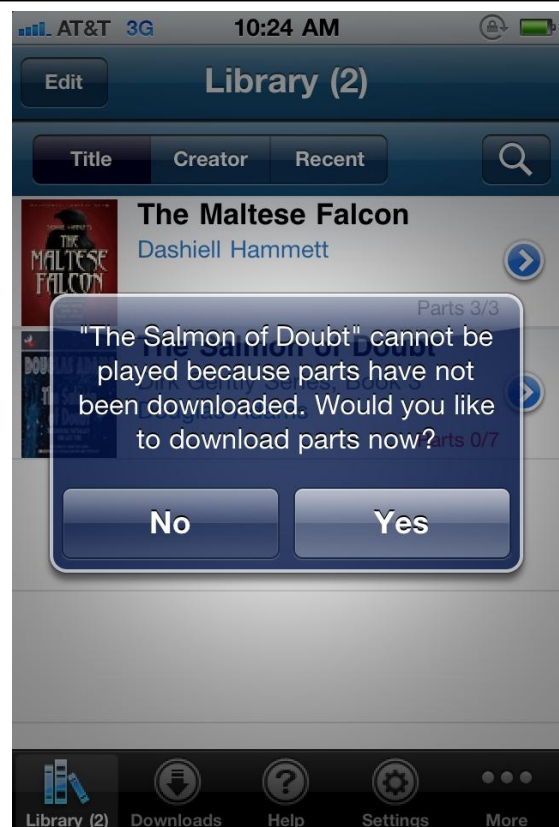

Choose an option from the menu below to view

Library (2) Downloads Help Settings More

Now that you have checked out an audiobook title, you will use the Overdrive Media Console App to download and play it on your iPhone. If your Overdrive Media Console App doesn't open automatically when you click to download, open it now.

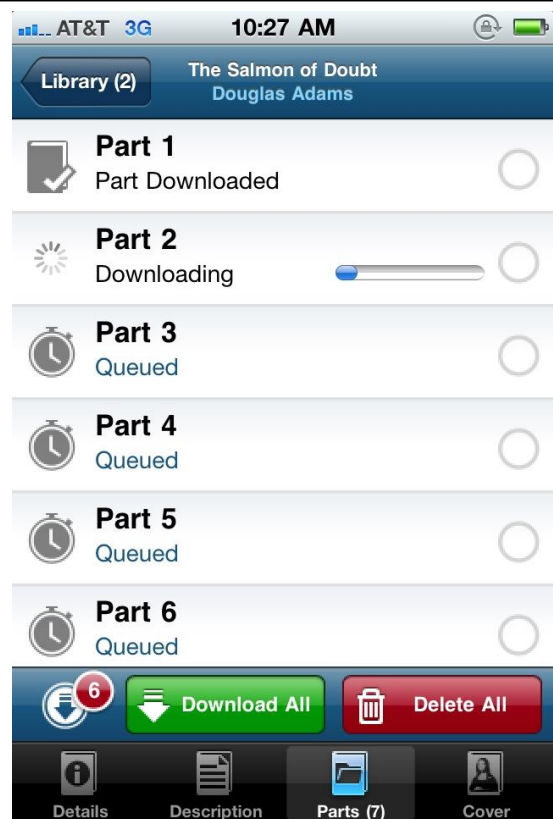

## Enjoy listening to your MP3 Audiobook from your library's Overdrive collection!

### 10. View your Library within the Overdrive Media Console App

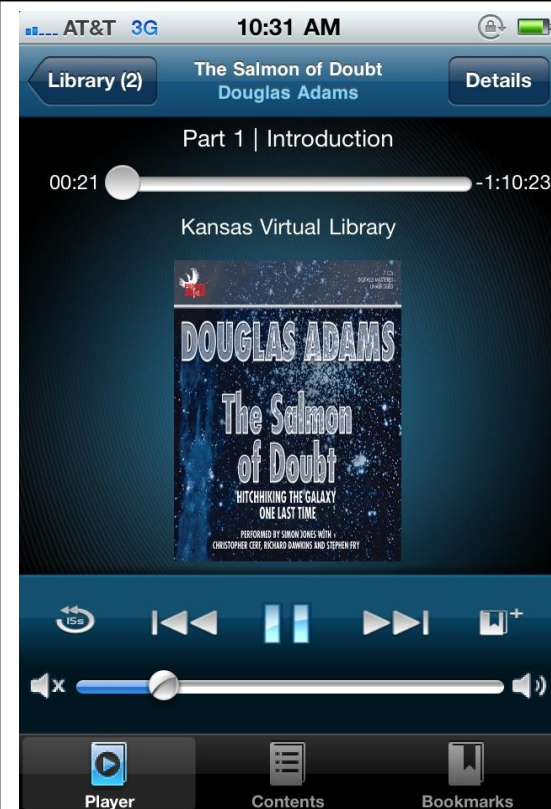

Your Library within Overdrive Media Console may reflect your recent checkout, and the App should prompt you to download the MP3 Audiobook title.

### 11. Download your MP3 Audiobook

Overdrive MP3 Audiobooks are typically divided into “Parts” that are each about an hour long. Download all of the parts of your title, or choose to download one at a time. Your lending period has already begun, whether you download the all of the parts right away or not.

### 12. Enjoy your MP3 Audiobook!

The audiobook plays from within the player in the Library of the Overdrive Media Console App. Features like bookmarking to save your place, skipping back 15 seconds, pausing, volume control, or dragging to fast forward or rewind quickly are featured in the player.
